

ESA ALPHA ZETA  
PLANNING MEETING  
2015-2016

The 2015-2015 ALPHA ZETA Planning Meeting was held on Saturday, June 6, 2015, at the home of Anita Gottsponer. Anita's husband, Rock, made pancakes with lots of delish toppings and fruit. Anita's dog, Taz, greeted all with a wagging tail. He also was looking forward to having a pancake.

Anita, president, presented her plans for the year with lots of discussion from the group. A Pinning was also held for Alpha Zeta's newest member, Jessica Linenberger. Rachel Livermore conducted the pinning.

We are looking forward to another wonderful year in ESA where anything is "pawsible"
